🌐 LinkedIn — 🐙 GitHub — 🌐 Portfolio

Professional Summary

Motivated Computer Science Engineering student specializing in Artificial Intelligence and Machine Learning with experience in Python, MERN Stack, Machine Learning, and Full-Stack Development. Passionate about building scalable software and AI-driven solutions.

Technical Skills

- **Programming Languages:** Python, Java
- **Web Technologies:** React.js, Node.js, Express.js, MERN Stack
- **Databases:** MySQL, MongoDB
- **Core Concepts:** Machine Learning, NLP, Artificial Intelligence, Deep Learning
- **Tools:** Git, GitHub, Docker, Postman, ML Libraries

Projects

Sentinel AI: Cybersecurity Threat Detection System

- Developed an intelligent Intrusion Detection System using Python and NLP.
- Automated threat prioritization using TPS scoring, Webhooks and n8n workflows.
- **Tech Stack:** Python, NLP, Machine Learning, Cybersecurity.
- 🐙 GitHub Repository

Location-Based Reminder App

- Developed a GPS reminder application with geolocation tracking.
- Implemented authentication and real-time reminder management.
- **Tech Stack:** React, Node.js, MongoDB, JWT, Axios, Leaflet.
- 🐙 GitHub Repository

Experience

Artificial Intelligence Intern

June 2026 – Present

Kaashiv InfoTech

- Applied AI and Machine Learning techniques to real-world applications.
- Improved model performance through data preparation and evaluation.

Full Stack Intern

Jan 2026 – Mar 2026

PK Placement Services Ltd (Online)

- Developed responsive web pages and supported backend integration.
- Gained practical exposure to full-stack development workflows.

Certifications

- Networking Devices and Initial Configuration – Cisco
- Generative AI – Udemy
- Unstop Certification

Education

B.E. Computer Science and Engineering (Artificial Intelligence & Machine Learning)

Sri Sairam Institute of Technology, Chennai

CGPA: 8.5

Expected Graduation: 2028

Higher Secondary (12th)

Govt. Higher Secondary School, Sowdhapuram, Namakkal

Percentage: 90.1%

2024

SSLC (10th)

Govt. High School, Mampalayam, Namakkal

Percentage: 91.2%

2022
